GREAT NEWS!

Kiwanis Club has given us the gift of new "WE ARE KEY CLUB" T-shirts this year! We can't wait to see everyone wearing out new Key Club merch!

HAPPY HOLIDAYS, KEY CLUB!

The holiday season is giving season, and giving is what Key Club is all about!

However, if our **Ronald McDonald food drive** is any sign, Key Clubbers are clearly not in the holiday spirit yet. We received **only 52 cans** for our collection, which pales in comparison to our usual 100+ cans. Thank you to the few who donated, but next time let's try for a bigger turnout!

We also need much more involvement in two of our long-running VOLOPPS: **Bell Ringing** and **Seekonk Flag Football**. There are a wide variety of times and dates for these VOLOPPS, so please check SignUpGenius and see when you can volunteer! These are **easy community service hours!**

With all of this being said, we hope you enjoy the holiday season! Let's end this year off strong! **See you in 2020!**

NEXT MEETING: THURS, JAN 9th
